WE LOVE THE VISITS, BUT BECAUSE OF COVID-19, PLEASE DON'T COME BY!

Agfinity Inc. is taking steps to protect our customers, team members and their families during the current COVID-19 situation. At this time, we are limiting access to the Agfinity offices to staff members only. We are operating as normal during this time and are eager to help you with your grain marketing needs via telephone and email.

Please DO NOT stop by with grain samples or to visit. Let's do our part to minimize exposure for everyone.

We are here trading away and more than happy to be reached by telephone or email. Be sure to call and keep the us hopping! Give us a call at 1-888-969-5552 and let us help you find the best opportunity for trading your grain.

We appreciate your business, cooperation and continued support always, but especially during these times.

Sincerely,

The Agfinity Team
